

## Kitchen Planning Questionnaire

1. What frustrates you most about your current kitchen? \_\_\_\_\_  
(Lack of storage, poor layout, outdated style, insufficient lighting, limited seating, etc.)
2. Who typically uses the kitchen daily? \_\_\_\_\_ Who does most of the cooking? \_\_\_\_\_  
(Single user, couple, growing family, multigenerational household, frequent guests, etc.)
3. What features are most important in your new kitchen? \_\_\_\_\_  
(Large island, pantry storage, double ovens, beverage center, open concept, workstation sink, smart appliances, etc.)
4. Are you planning to keep your current kitchen layout, or are you open to reconfiguring the space? \_\_\_\_\_  
(Moving walls, relocating appliances, expanding into another room, etc.)
5. What are the most important improvements that you'd like to achieve in your new kitchen? \_\_\_\_\_  
\_\_\_\_\_
6. Do you currently have an eat-in kitchen? If yes, do you have most of your meals there? \_\_\_\_\_
7. What small appliances do you use all the time? \_\_\_\_\_  
How do you store these appliances? Are they convenient for you to get to easily? \_\_\_\_\_
8. What concerns or priorities do you have regarding maintenance and durability? \_\_\_\_\_  
(Easy-to-clean surfaces, pet-friendly flooring, child-friendly materials, scratch resistance, longevity, etc.)
9. Do you entertain often – say, more than once a month? \_\_\_\_\_
10. What kind of activities take place in the kitchen besides cooking?  
 Planning (paying bills, preparing menus, etc.)       Work (homework, home office, using digital devices)  
 Entertainment (watching TV, crafts, games, etc.)       Laundry       Other
11. Are there any other important considerations you want to factor in when doing this remodel? For example:  
 Changing the footprint (layout) of the kitchen       Adding a pantry  
 Knocking out walls or raising the ceiling       Adding a work station or island  
 Replacing the kitchen window
12. What is your realistic investment range for this project? \_\_\_\_\_  
(This helps align design recommendations, materials, and priorities with budget expectations.)

***Is there anything else you would like your designer to know about your home and/or lifestyle?***
